**Samantha, Simley H.S.**

"I went to Dan because of the waterfall and the flowers in the outside photos. I felt very comfortable and the photo shoot was in a very fun environment. The customer service was very good; the staff was so friendly!"

**Annie, Woodbury H.S.**

"I took my time finding a wonderful yet fun photographer! He made me feel comfortable and my session was fun! Their customer service was a 10! My family and I are very happy with my photos!"

**Bre, Simley H.S.**

"My friend recommended Dan, and I loved the service he provided for my sessions! He has a fun personality and made the sessions go by smoothly. I would recommend him to everyone! Dan really knows how to let a person's true personality shine through and makes the portraits about YOU. I laughed a lot and was able to show my real smile. Dan and his wife were phenomenal with providing my mom and me with a great experience. They took the "senior photos" idea to a whole new level! My advice to next year's seniors is to just be yourself. You're going to look back and smile at how much fun you had during your senior year and how a few photos can really capture your personality."
